1. The final entry list order is based on the starting number of all the drivers accepted for the race.
2. The participation of competitors in the race is subject to compliance with the rules of the International Sporting Code, the FIA European Autocross and Cross Car Sporting Regulations, and the event's Supplementary Regulations, as well as the submission of the required documentation during the administrative check.
3. The maximum number of starters in the Event, including the support race, shall not exceed 140, and the maximum number of entries per category shall not exceed 40.
